*The Convention of the Congregational Ministers in Commonwealth of Massachusetts*

Is a voluntary Association, embracing all the Congregational Clergy of the Commonwealth, but vested with particular authority or control over the churches.

Their meeting is holden in Boston, in the afternoon the last Wednesday in May, or day of Election annually, at 5, p. m. and the following day at eleven, a. m. A transacting the usual business of the Convention, a sermon is delivered in public before them, and a collection made for the charitable purpose of relieving the indigent Widows of Congregational Clergymen.

Difficulties having often arisen in determining, what laws are the proper objects of the charity of this Convention, it was voted June 1, 1815, That a standing Committee be appointed, five of whom shall be chosen centrally; and the remainder in different parts of the State. The five, with the Scribe and Treasurer, shall act as a *Reporting Committee*, to receive from the other Members the Committee applications and statements of facts in behalf of persons who may be subjects of the charity of the Convention; and having considered the same, shall determine of the persons to be relieved, and the proportion to be given to each, and make report to the Convention, on the first day of their meeting annually; further, that the names of said Committee shall be annually published in the Massachusetts Register.

Accordingly, when the widow of any Congregational clergyman is considered an object of the charity of the Convention, it is desired that answers to the following questions be given by one of the Standing Committee, *by the first of May* in each year, to be communicated to the *Reporting Committee*, that they may possess the documents for making a correct report to the Convention.

- What is her age?
- What are the number, the sex, the ages, and the circumstances of her children?

3. What is a fair estimate of her property?
4. What is her ability to help herself?
5. What connexions has she, who are bound to afford her assistance? And in what way do they assist her?
6. What is her income?
7. What peculiar circumstances render her an object of charity; or make it desirable, that she should have this year?

The Standing Committee are also desired to give notice to the Scribe, whenever an alteration takes place in circumstances of the widows, who are objects of charity.

Rev. Nathaniel L. Frothingham, of Boston, Treasurer.  
Rev. John Codman, of Dorchester, Scribe of the Convention.

Rev. Dr. Griffin, first Preacher.

Rev. Dr. Beecher, second Preacher.

The Convention earnestly recommend to all young gentlemen who design to devote themselves to the work of the ministry, to spend that portion of time in the study of divinity, which learned and judicious advisers shall think necessary to qualify them for public teachers.

### *General Association in Massachusetts.*

This body was organized in June 1805. In 1814 consisted of Delegates from 12 Associations in Massachusetts Proper. Its members "admit, as articles of faith, the doctrines of Christianity, as they are generally expressed in the Assembly's Shorter Catechism," and consider these doctrines, which have been generally embraced by the churches of New-England, as the "*basis of the union.*" This body wholly disclaims ecclesiastical power or authority over the Churches, or the opinions of individuals. The essential objects, as expressed in their Constitution, are "to promote brotherly intercourse and harmony, and their mutual animation, assistance, and usefulness as ministers of Christ."

 Annual meetings last Tuesday in June.

The balance in the Treasury on the 1st of January, 1827, was \$6,358,686. Receipts from that date to September 16, 1827, \$16,886,581. Estimated receipts of the present quarter, \$4,515,000. Total estimated receipts of the year, \$21,401,500. Total estimated expenditures, \$22,300,000. Excess of penses above receipts, \$898,419.

It is to be remembered, that of the receipts, upward of \$6,000,000 have been applied to the discharge of the principal part of the public debt; the whole amount of which, approaching seventy-four millions on the 1st of January last, will, on the first day of next year, fall short of six *seven millions and a half.* Probable balance in the treasury on the 1st of January, 1828, \$5,450,000. The estimate of receipts, in 1828, is \$22,300,000.
